“ I wish I had more time with you papa, I turn 16 this month and I wish you could celebrate it with me. Knowing I've touched and shot pistols you've handled before is so crazy. I wish you were here to teach me about things, I guess God knew we'd be too good of a pair so he had to let you go a little early 😭, I remember my dad telling me a story about how he found a deer stand out in the woods and someone left candy there and my dad ate it all, he said he come up to the house one day and told you about it and turns out that was your candy in your deer stand lol. Every time I pass you and Nana's old trailer in Colcord it always reminds me of running around in the yard with Nana. Gosh I remember every damn detail of that place and I was so little. It sure does look a whole lot different now but my memories are still clear as day of that place. I wish I coulda spent more time with you. ❤️

My prayers are with each of you during this time of loss. As Logan said at the service, "They are never lost when you know where they are." May you find comfort and peace from God as you move forward. It was my honor to stand by you at the hospital.

“ Mary, I am so sorry to hear of your loss. My thoughts and prayers are with you and your family during this difficult time. It is often hard to find words to comfort us when we lose a loved one but I will share with you what my father's sister said to me when I asked her why my dad had died. She said, "God always takes the good ones first". I have taken comfort in those words many, many times. Take good care and may God Bless you...Love, Barbara

“ Family of Randy,

I so enjoyed being in class with Randy. He and Larry Bishop and Ivan Lopez and Larry Ahrens always made for a fun and interesting time. I'm not sure Mrs. Nowlin always appreciated the humor.....

Randy will be missed by his classmates as the others who have gone on before him.

Will be praying for you as I know the pain of losing a husband and a father.

God Bless you all during this time.

“*Mary, Angie, Amber, & Family.. Randy was a GREAT man. Growing up with Amber and doing pageants I remember Randy ALWAYS being there. Doing the music, lending a hand, or just being around and with "his girls" is what you could tell he loved the most. My heart aches for you, and I am so sorry and saddened for your loss.
