“ *Pete was so good to me through the years of my friendship with Vicki. We spent many hours driving the ole black truck up and down the drive way of the house. He was always kind and funny at our silly girl talk and giggles. I have very fond memories of being in Pete and Irene's home. I feel lucky to call them my friends and the way they touched my life. They helped make me who I am today! Thank you Pete for the input into the life of Rita! I am glad you are in a better place!*
