“ *Such a sweet, sweet lady! She always had a smile on her face. I remember her coming to David's baseball games. She sure did love those grandkids! We were at a baseball tournament one time and she had ordered a picture collage of David catching behind the plate. When she received it, it was all pictures of my Austin. She had picked the wrong pictures out of the book for the collage. It was so hard to tell them apart in their gear. She called and they made her a new one with pictures of David and sent it to her. She gave me the one with pictures of Austin. The memory makes me smile. She was such a sweetie!*

May the Lord be with your family during this time of loss and give you comfort in the sweet memories you have. Your family is in our prayers.

*Love from the Simmons family!

Lois was a wonderful lady and my family had known her and the family for many years. In fact, they were like family to me. she done my Momma's hair for many years and her and Jessie helped my parents out alot the last couple of years of their life. i know no words can express your pain and sorrow right now but just know that she is looking down upon you all from heaven smiling. May the Lord comfort each one of you!
