“ I am so sorry to hear about Lora. I've known her whole family since Lora was just a toddler. I didn't have the pleasure of knowing her as an adult, but I know she had to be an amazing person, as her mother and father were both great parents. I know she'll be greatly missed by many people. I know I'll surely miss seeing her on Facebook from time to time. I pray The Lord will be with her whole family she leaves behind. I know they are heartbroken as I am. Thoughts and love to all of you. Ruthie S Robertson

“ I will miss you Lora! You made going to work....fun!!! You were a caregiver to your very core and many lives were touched by you. If you loved someone....they knew it and your love language was being a caregiver. You faced so many adversities in your life and you trooped through it with a spirit of fire! You'll always be my "Robin". I hope you are wrapped in Gods arms and you are in a brand new body. Love you always! ❤️

Lora spent many nights at my house growing up as her and my daughter April were very good friends. We always enjoyed Lora. She was so sweet and kind and a joy to be around. Prayer for all her family and friends. She will be missed.
