“ Where to begin---Loren was one of a kind. He was a great individual, loving husband, super granddad, and very much a people person. He was always ready to visit and discuss the past, present and future. Loren was a friend to a lot of people, and he will be deeply missed. There will be less light in our world without Loren's presence. You can bet that Loren is checking out Heavenly Golf Courses and Fishing Holes and getting things ready for his friends to join him. Our prayers go out to his family. RIP Loren.
