“ Lorene was a very special person, our summers spent together in West Memphis will be fondly remembered. So many laughs, so much fun. She will be missed, but I know she touched many lives. God bless and comfort you.

“ Hi Lorene: I hope you are well. I want to apologize for being such a class bully throughout our early school years. Please know that I always liked you and the only reason that I bullied other people was because I was jealous and just plain mean (ha!) I always appreciated your good personality but I hated that you commanded so much attention. I loved the fact that we were able to connect on facebook recently to reminisce about old times (especially the merry-go-round). We will meet again and again share stories. This is not good-bye but until later.

“ I pray for comfort and peace for the Douglas family at this time. Lorene was such a unique person, with such good insight and creativity. I talked to her not too long ago and she said "don't feel bad, I'm not in pain"...that was Lorene, such a great attitude. Please know that you're in my thoughts and prayers.

“ Lorene was such a special person, was so hoping to see her next time I came to Memphis. I remember so many good times we had growing up! I loved her like a sister. The world will never be the same without her. I offer my prayers and condolences to all of her family.
