“ Loretta graduated from Sidney High School in Sidney, NE in 1965. I enjoyed her all thru Jr. High and High School! She was always pleasant to everyone. We tried to reach her for our 50th Class Reunion last September in Sidney. I will reach out to all of our classmates to give them the sad news. Our thoughts and prayers go out to Loretta's family!

“ *I find myself sitting here trying to find the right words to put here, I want to tell you about my mom, Loretta, My hero sums it up in a pretty package. She has taught me, many things like how to be strong, no matter what keep my chin up, how to be a great mom and a awesome grandma. always give from your heart but dont let anyone walk over you, But the most important thing she taught, and I believe all the family would agree, is family, She was our backbone, our center. when you hear people talk about home a or going home they are referring to a building they grew up in, home to me was mom,
Thank you Mom for being perfectly you, teaching me everything I needed to face this world and make it on my own, Giving me all I will ever need, Days are going to be hard and empty with out you here, I going to miss you so much, I love you Mommy,...No haunting me mom!!*
