“Lori was filled with life before I left Gates. It pains me to see such a full vibrant life be taken away so early. The Lord has something very special in mind for Lori and her family and needed her help from the other side. I enjoyed working with Lori everyday. She was very good at what she did and was rarely upset.

I will miss her and was saddened to hear of her passing.

“ *When Bob and I married he told me about Lori saying she was so pleasant and always had a big smile. I had the priviledge to meet her at a wedding and could immediately see a lovely person inside and outside. I'm sure you all have many pleasant memories. You are in our prayers.*

“ I worked with Lori for several years when she was with Allen Canning. I live in the Northeast, but there were many occasions I was able work directly with Lori on various projects. She always had a great attitude and was beyond helpful. I was sad to see her leave Allens and extremely saddened now. Lori's passing is a shock to me as I am sure it is to her family. No one so bright and young and well-liked should be taken from us so soon. She was one of the best people I know, and this world is not as wonderful with out her in it. I'll miss her.
