“ I'm so sorry for your loss. Lorraine was such a beautiful soul and always had a smile and kind word for everyone she saw, and a very positive outlook on life in everything she did. She was loved by the Siloam Springs community, and was a true lady in every sense of the word. Praying for comfort and peace for your whole family during this time.

“ I will never be able to eat waffles without thinking of Ms. Lorraine. She also left me with a new word added to my vocabulary...woopsie. She was a joy to care for and I will keep sweet memories of the time we shared. Her greatest joy was to talk about her wonderful son and daughter and how proud she was about her granddaughters. I know her absence will leave a void in the lives of all that loved her, but the love she leaves behind will forever comfort us as we remember her sweet spirit and smiling face.

“ I had the pleasure of working with Lorraine, Mike and Michael and Sidney for 10 years and kept her grandchildren (Allison & Emily) while they were small and become very fond of the "Moss" Family. They are such a wonderful family and I enjoyed working with all of them. They treated you as "Family" at Insurance Office which was such a pleasure. I will never forget any of you and praying for comfort & peace during this very difficult time. Thank you for always being so kind and considerate to me and my family. We will miss you dearly Lorraine.

“ We at the Siloam Springs Senior Activity Center would like to extend our heartfelt condolences to the family of our dear friend, Lorraine. For many years she has eaten daily at our center with all her friends. She became beloved to all who were around her, as she never met a stranger and welcomed anyone new who ventured in. Lorraine assisted us with many of our fundraisers and never failed to thank us for a good meal or praise us for the work we do. She was always smiling, always cheerful and could lift those up who needed some cheerfulness. We loved her and will miss her dearly.
