“ We are so sorry for your loss. We only got to meet her the one time just the other day when she opened her home to me and my children during the tornado warning. For that, we are very thankful. We greatly appreciated her kindness. May God bless you during this time.

“ Dana,

I was shocked and so saddened to hear of the loss of your mother. Even though I don't know how you feel, I know how hard it is when your mother is no longer with you. I lost my mother 2 years ago and it has been the hardest thing I have ever been through. I can tell you that God will give you strength for each day. I would never have made it without Him and I know He is ready and waiting to help you through this valley of death. Spend time with Jesus each day for He will be your Rock.

If there is anything I can do please feel free to call me at anytime. You are and will continue to be in my prayers for the hardest days are ahead for you.
