“ *Fay and Jim -*

We have the framed, cross-stitched anniversary remembrance your mother made - then presented to my parents (Ervie and Eva Barnett) in honor of their 50th wedding anniversary, November 9, 1984. As you may recall, several friends from First Baptist Church in Siloam Springs traveled to Hawaii on vacation. Your mother packed the gift in her luggage. She gave her gift to my parents while they were on the Island of Oahu. How sweet and thoughtful!

Your mother was with us November 9, 1994, to celebrate my parents' 60th wedding anniversary. And, she was with us to celebrate my father's life and "Home-Going" at his memorial service 5 1/2 years later.

You are all in our thoughts and prayers.

“ *Dear Faye and Family,*

We wanted to express our sympathy to each of you at this time and to let you know that we are thinking of you and remembering you in our prayers. You can take comfort in knowing that your mother loved the Lord and is with Him today and for each one that knows Him this is but a brief separation. For now you have her precious memories and can rejoice that you were so blessed to have her for your Mother!! Your friends, Ed and Ellen Feemster

“ Faye, I was sorry to hear about your Mother. I was thinking about the good times we had at your house.

I remember the breakfast your Mother always fixed for us before we went to school.

She was a lovely lady. Connie

“ I knew Louise from attending her sunday school class at the First Baptist Church. Louise was a friend of my mother, Nadine Younger, who died three years ago. I attended Louise's sunday school class with my Mom. I got to know Louise and corresponded with her. Louise was a lovely lady. She was very special. I will miss Louise. I know she is with the Lord. Also, Louise is with her loved ones who have passed on before her - one being her husband. My thoughts are with the family. Louise left behind beautiful memories.

“ Faye,

So sorry to hear about your mother. I have know her many years.

Of course you and I went to the same school - I think you graduated in 1957??

Anyway, I worked with your mother all through my married life. She was the Associational WMU director and I was the Associational GA director so we work together many years before I ever came to Siloam.

Then being the secretary here at Siloam FBC for many years I worked with her there.

Louise was a strong believer - strong in missions and tried to tell everyone she came in contact with about missions. I remember one time she told me a friend told her that 'she' could not afford to tithe. Your mother said "I told her SHE could NOT afford NOT to tithe.

We have missed her here since she moved to be near you - but we always knew she was 'here'.

Now we know she is "there" in heaven reaping all the rewards that Jesus has been saving up for her.
