“ *I worked with Lucy at Woodland manor almost thirty years ago. She was a wonderful person! Then I had the opportunity to have her great grandson Jeremy in one of our kindergarten classes. He didn't like school to much!! We talked about cheerios every morning. At the end of the year his mom made me a shellaced bowl of cheerios!!!! It was wonderful! I still have it. I hope Jeremy likes school better now! HA Lucy has a wonderful family! She will be missed! But we will see her again in heaven! Bambi*

“ Shane,

We want to honor the life of your mother by recognizing the beauty of her motherhood. From listening to you talk about her love for her kids and ability to be independent speaks highly about the character of who she was. Karen and I are sure that she was proud of her family and her legacy of memories will always be in the hearts of her children.

This is truly every mothers dream, that her kids will have special part of her in there heart.

God Bless you and all your family...

“ Punkie, Jackie, Little Ed, Theresa and Shane. I am so sorry to hear about your mom. Lord only knows how much it hurts, it hasn't been quite 2 years since mom passed away. We know they are in a better place now, but that doesn't make it anymore easier to go without a Mom. Lots of Prayers and tears and why mostly, but only God can answer that one. I have found HE is the only one I can talk to and lean on when I am down. Now she is with Ed and that like mom is with daddy is the only thing that gives me comfort at times. You are all in my prayers and I will see you soon. I love you all and I wish we kept in touch more. Also, I talked to Wilbur and he said to tell all of you that he is thinking about you, in case he doesn't get to see you. Love you lots, and God Bless all of you!
