“ To all of Lurena's family and friends. I have known Lurena since the 7th grade. We have been friends all these years. I can't begin to tell you all the fun we have had growing up together. Our Ceres High School days were the greatest. I am so sorry for Lurena's passing. Whenever I would see her, it was like being in high school again. She always had a good joke or a big smile for me. I will truly miss her. All my love and prayers go out to all her family. She always had good things to say about all her nieces and family. She loved you all. Thank you for taking care and watching over her.
Sincerely, Maudie and Family

“ Many fond memories of times when we both worked for Braniff Airways and were roommates. Although have not seen her since then and have been phone friends for some time. I will miss our almost daily phone calls remembering the fun we had years ago along with sharing the happenings of our lives now.
