“ I am proud to say that Mabel was my great aunt. As a school teacher, she was a good role model in her community and was an example and influence to many people. She was a loving wife to her husband, Kenneth. I am grateful to Aunt Mabel for giving me her dining room set several years ago when I moved into my own home and needed one. I remember her telling a story of how her brother, Roscoe, prayed for her when she was sick, and she got healed. Mabel and Kenneth both became Christians in later years and I am so glad to know I will see Aunt Mabel again in heaven someday.
