“ I am so sorry to hear about Maxine. She meant alot to me. Being a good friend to Connie I was around Burtice and Maxine alot and thought so much of them. Sorry I didn't hear about the funeral until this afternoon and the funeral was this morning. I would have been there if I had know about it in time. Ben and Penny, I know you both will miss her so much. My sincere sympathy is with you and I hope we can keep in touch.

“ *Maxine was one of the sweetest christian women anyone could have the pleasure of knowing. She and Burtice were like second parents to all of us guys and gals growing up. To my little brother Ben, please know how I grieve with you of her passing but at the same time celebrate her home going. I know your Dad and sister await with open arms. We just learned of her passing Tuesday night. Please know that although we cannot be with you during this time, you and your family will be lifted up in prayer. May the Lords comfort be upon you. All our Love,
Skip and Diana*

“ *Maxine and her sister Dorothy Hall lived across the street from us in the Sager Creek Addition for several years. We have never known any ladies as special as these ladies. They were devout Christain ladies who set a wonderful example for anyone who knew them. We would sit out on the porch when we would get off work in the afternoons because we knew they would come and visit us as soon as they saw us, the sun was on the front of their house so we sat in our yard where the shade was. They both loved to tell stories of times when they were youngsters or when they lived close to each other near Gentry. Everyone was always welcome in their house as I am sure that they have both been Welcome into Heaven into their Mansions.*
