“Kendra, Bobby & Jet, I want you to know how honored Casey & I are to have been able to come to Children's Hospital and visit with you and meet your amazing sons. As I talked with you and watched you with those babies I was so in awe at your Wisdom, your Love and your Faith. We never know what God's plan is but I knew when we left there that those two precious amazing babies were given to Kendra & Bobby because of who and what they are, Amazing, Totally Loving Parents. Maddox will be God's "Special Little Angel" and he will indeed be looking down on his Mother & Father and Little Brother Jet and keep you safe. I am so glad you have memories to sustain you right now and i know they have to make you smile. I like to just dwell on the Dream of all of us one day being in Heaven and What A Day That Will Be. God Bless You and All Your Family through this. Please call if there is anything I we can do.

“ Kendra and Bobby,

*We had a baby at ACH when you were there. Oh, how I prayed so many nights for all of the other families to get to take their babies home. Our Jack passed away on August 17th. It's the worst pain that a person can endure, to lose a child.*

*We were at the Ronald McDonald House at the same time. My mom and I met Jet and your mom in the hall one day. He was so cute! Anyway, I don't know if you remember us, but I knew who you were as soon as I saw Maddox's name in the paper.*

*I know that there's nothing I can say to make you feel any better. But please know that I am thinking of you and praying for peace in your hearts. I hope that Jack and Maddox play together until they need and nap and then they go cradle in the arms of Jesus.*

*With love,
