“ *Mona, Karen and families,

hard time and I will keep you in my prayers.
Love and friendship always!*

“ *I know Karen through Teri Towle. I lost my mother when she was
69, so I know what all of you are going through. A friend of my
mother's told me (when I remarked that God took her too soon) "No
matter how old you mother was it would have been too soon". I
found that true and comforting. I can tell you that, with time, all of
the good memories will surface - out way this bad time, and make
you feel better. You will never get over missing her, but the happy
times will prevail. My best wishes to all of the family and Karen and I
will be thinking of you. Elaine*
