“ *Ms. June was our favorite at Little People's School. She was so kind to all the little kids and Bailey loved her then just as she does now. You are all in our thoughts and prayers.*

“ *June was such a kind and compassionate lady . She was just as beautiful on the inside as she was on the outside. Her smile made me so happy when she would come visit her husband . She was a joy to be around and she will be greatly missed by her friends.*

“ *June was so genuine. Always happy, smiling & encouraging to others. She told me the reason she worked with the “little people” was to give them some love, in hopes someone would do the same to her grand babies, who lived away from her. She may have invented the “Pass it forward “ mindset! Love to you all. Loved your sweet Southern June Bug!*

“ *June & Clyde have been the best neighbors we've ever had. We are going to miss June so much. Don't think we've ever met a more generous lady in all our lives. She defines the word "go-getter" completely. We've seen her come through so many hard knocks in the past few years, but she just did what it took to keep going so she could love on people and be there for her friends & family. Know that she is praising & worshiping her Saviour for every minute in heaven, but will also have to have things to do to bless others even in heaven! She LOVES people and causing blessings to come their way in every way possible, so while she was here, she did all she could do to cause that to happen. I'll be looking for that beautiful smile & smiling eyes when we join her in heaven some glad day!! So grateful our life journeys came together for these few years together.*

“ I will never have a friend like June! She called me her personal secretary, and I did my best to do just that. She fired me, but always said I will give you one more chance! She worked at little people school with my daughter, Bonnie. Bless her for all the love she had for all ages! She was an amazing, high energy lady who loved life and all it had to hold for her. I want to grow old having that kind of love for life! She loved the Lord and served him through Senior Ministry for many years. Praise that she is now healed and in the arms of Jesus and with others who went before her.

“ June is with the Lord. She is a virtuous woman as described in the Bible. The virtuous woman is a woman of strength who combines wisdom and grace with awe of the living God. She was a "doer" of the Word, helping people, organizing events and trips. She loved helping at the Manna Center, loved teaching children, and led the Young at Heart Ministry. Best of all, she loved her family. She had a winsome way of bringing others into her family. She always had a smile. One of her friends commented, "She's been in heaven over 24 hours. Everyone there will have met her."
