“ I will miss many childhood memories of the Redwine family. The information came today of the deaths of three members that I will miss. This is a very heavy heart day. The day MC bought a horse for Jenks and during the transportation pulled out a pint of old crow. At 16 or so it was really cool. I will miss the puzzle man, his wife and mostly one more. The heavy heart one. Perhaps another time Jenks.

“ I have memories of going to see Aunt Margaret and Uncle MC at their home in Greensburg and then having Sunday dinner with your family in SiloamSprings. Aunt Margaret would be in the kitchen fixing something good. My deepest sympathy to Aunt Margaret's family. Susan Whiteneck

“ *When Jeanie and I were in 4th grade, we lived a few blocks apart, and we were best friends. I remember her Mom fixing such good food for us! She made the best BLT sandwiches I've ever had, to this day. Somehow she chopped the bacon up into little pieces before adding chopped tomatoes. She always went to so much effort to show her love and affection for people. I will look forward to hugging her in the life to come!*
