“ Miss Marge was such a lovely lady. I used to love seeing her and her husband when they would come in to eat and wanted me to wait on them. Always made me feel special to get a hug from her. Those little things will always make me smile. Rest in Peace Miss Marge, your smiling face will be missed.

“ *Luke, Linda, and Jim, I am saddened to hear of Marge's passing. She was so special to me. I always enjoyed her teasing me over my long hair. She would ask me, "What color ribbon do you want me to bring you, red, yellow, or pink?" She was like a Grandmother to me. Always giving me that encouraging word when I needed it the most. She was so precious. May God comfort you and keep you during this difficult time. My Love to you all.....Mark*

Marge was a bold intelligent loving woman, you might call her a spitfire, I enjoyed our little time together when I visited her daughter Linda. Linda and Marge could very often be a comical team! I am sure she is moving furniture around in her mansion and telling the choir of angels what song to sing next. I know she was loved very much.

*I hadn't know Marge very long but she was a wonderful person and she was so easy to be around. It's hard to find someone like Marge. I found it so easy to share my heart with her and she seemed to feel the same way. I had looked forward to spending more time with her and joining her in all the fun things she liked to do. Luke, Linda and Eric and all the family please know that you are in our thoughts and prayers. Love, Martha and Charles Kelley.*
