Margarita Mabel Ancenson Baldonado Lovitt, 82, of Decatur, Arkansas, died May 10, 2026 at the Circle of Life Hospice in Bentonville, AR. She was the second child born on December 17, 1943 in Parks, Nebraska to Meloquias "Max" and Maria M. "Mary" (Maes) Baldonado. As an infant she and her family lived in New Mexico with Spanish being her first language, later they settled in Wauneta Nebraska where she attended school and learned English. During high school she worked at the local drive in and after graduation attended business school in Omaha, NE.

On January 28, 1967, she married Lester "Bud" Lovitt at the St John's Catholic Church in Wauneta, NE and together they shared 59 years of marriage. Before her family moved to Arkansas in 1981, she worked as a CNA at the Community Hospital in McCook, NE and also as head cook at the McCook Community College. After moving to Arkansas, she worked at Dawn Hill Country Club a few years. She was later asked by Mr. Peterson to manage the The House of Chicken in Decatur, AR. From there she became a district manager for Kentucky Fried Chicken and finished her career at Walmart working as a CSM and retired from the mail room at the corporate office in Bentonville.

Margie would never turn down an invite and would always be the life of the party. She enjoyed cheering for her two favorite teams, the Razorbacks and

Huskers. She loved to follow her children and grandchildren to all of their extracurricular activities. She enjoyed traveling to OKC to help with a wedding or special event with the flower shop. Cooking for her family and her children's friends was a great enjoyment, as her door was always open and they enjoyed many meals at "Granny's house." “ We were so saddled by hearing the loss of our “Margie moo” this morning. Margie was always the light in the room and always sure to love my babies like they were her own grandchildren. She always wished them happy birthdays and made sure to check in on us often. Margie has been in my life since I was a young child and not a day will go by that we won't miss her. She'd held all my babies (they are now 6, 4, 3, & 1) when they were less than a month old. She continued to throw them up on her lap no matter how big they have gotten. Always including her and “papa bud” in our family get togethers by stopping by with a plate full of warm food. Margie was loving, caring, so sweet and always had the best tips and ideas for us to succeed in life. She was an “extra” grandma, that god had placed in our lives. We love her dearly. An I pray she's living with god, enjoying some sweets, and just watching over us as a guardian angel.

Margie- Mrs.Margie, “neighbor nana”, Margie Moo, (Chargie), Rest in Peace. You will be missed.
