“ *Tom and Sarah, My thoughts and prayers are with you at this difficult time. Your mom was an amazing lady. I still cherish my printers drawer that she gave me when she closed down the newspaper. I use it to display thimbles that I buy on my vacations. I also still have the Afghan she made for my oldest daughter that has The wizard of Oz characters on it. She was multi-talented.*

“ Aunt Marian,
You will always hold a special place in my heart and always on my mind.
I thought of you all day & the fun times we had staying with you in the summer & many other times. Swimming in the creek at Granny & Grandpa Reed's to picking soybeans.
I will always remember you working fir the Maysville newspaper & getting the paper printed.
But most of all you were an amazing Mom and Aunt. Thanks for loving me so much.
Sarah & Tom, I'm sad for you both & your family.
I love y'all ❤️

“ As kids we always had a great time at your house. You always had ham sandwiches and cold drinks! I loved going to Maysville to hang out with you while you worked on getting the newspaper ready! I remember sitting outside with Deena and Karen, at different times, drinking a Pepsi from the bottle and eating sunflower seeds! Of course, there was going to Grandpa Reeds house and that cold creek. 🥰 so much love and fun! li will miss you and I live you Aunt Marian ❤️ much love from Lori ❤️

“ We spent the winter of 1958 at Brooks Lake in the Katmai National Monument (The valley of Ten Thousand Smokes). She taught me the First Grade by Correspondence Course.

We were living in a log cabin, cooking on a wood stove, hauling drinking water in a bucket from the Brooks River.

Just Mom, Dad, and me (like Jack Nicholson in “The Shining”).

Easily the most exciting year of my young life.
