“ *It was an honor to have lived next door to such a wonderful lady. I remember her beautiful lilies and her love for her family. We shared some wonderful visits. I moved away from Siloam Springs in 2003 and regret I didn't keep up with this beloved lady. My deepest condolences to all of her family and friends. You were all blessed to be hers. She is walking streets of gold in the city with no suffering, no worries, no pain. Rest high on that mountain beautiful lady. Sincerely,

“ Our sweet "Aunt" Marie who was not really my aunt but that is what I always referred to her as. You were loved by all of us in the Benton family as our Aunt Marie. For so many years you gathered the family either at the river or the lake for family reunion. We always had the best time together laughing, cooking, cleaning, staying up late to talk and have a good time. If not for you most of us would have never known each other. You were always so sweet to the kids even when Joseph would come into the kitchen to get you to fix him a bowl of your green beans before they even made it to the table. I hope you know how much you meant to all of us. We will miss you dearly and will always treasure the time we were able to spend with you.  
Love, Shellie 1
