“ *I am so sorry for your loss. Marilyn was a very special lady. She was my supervisor when I started work at Wright Memorial in Trenton when I was 19-years-old. She had such a great sense of humor; she made work so much fun, and I learned alot from her. I know you will miss her terribly, but she is whole and healed now and with her loved ones who have gone on before and she will see her again. God Bless,*

“ To the kids:

Your Mom was known to soooo many of us in town. Between the 5 of you, I don't think there were to many in any school year that didn't know who she was!

I give her a lot of respect and admiration in raising all of you! I don't think I could have done it! :) She was a tough lady with a huge heart that is going to missed by so many people!

All you you are in the hearts and thoughts of of so many people. Take some comfort in knowing just how much each of us love all of you, hurt for you and along with you, and will always be here for you! She is in a Wonderful place now, and I can almost picture her with Denny, and all of her loved ones, and the hugs and stories they are telling each other.....just as all of you will again someday! It is not Good Bye, it is Until we see you Again.

*Sending All Our Love,
Charles and Brenda Owings*

“ From all of our family to George, Randy, Becky, and Bobby. So very sorry to hear that Marilyn has passed on. I'm sure her presence is still felt in every room and in every conversation.

God Bless all of you and help you through the coming days of adjustment to a world without her wit, wisdom, and the laugh that was hers and hers alone :)

“ Randy, I'm very sorry for your loss and am praying for strength for you and the family to make it through this difficult time. Their's not enough space to tell of all the memories I have of Marilyn but just know as we were growing up she was much like a second mom to me. Countless hours were spent at your house. How did she put up with us? As I got older I relized it was because of the love she always had for her family and friends and her gentle nature. I will always have loving memories for your mom. She will be sadly missed. In Christian Love, Mike Gross
