“ I remember Marion as my Dad. Tom and I were out of the country on a cruise and did not hear of his death until February 4th when Uncle Harry Guthmiller called to tell us. He never got to know and enjoy his 2 grandchildren, Shaun & Shane, nor his 4 great grandchildren and he missed out on this joy. I am sorry to hear this sad news and wish the rest of the family peace. My memories were shortened but are good ones.
