“ *Marissa, you were always one who made me smile no matter what was going on. Your humor and warm personality were a bright point in my day anytime we worked together. You didn't involve yourself in petty drama and you always had a willingness to help someone in need. Rest in peace and know that your friends will never forget you or the impression you made upon their lives. You were a friend to me and one of the sweetest people I have ever had the pleasure of knowing, I'll truly miss you as this world is a lesser place without you in it.*

“ Marissa you were loved by so many and touched so many lives. You were like my own and we butted heads more than once as your boss, just like a mom & daughter butt heads, but in the end we always hugged and made up. You had a smile that went on forever and a heart of gold. I'm so heartbroken, but I always loved you unconditional. I and many will miss you, forever in our hearts kid, Rest In Peace, until we meet again. Love Angie
