“ Kristen,
I am so sorry for your loss. Your grandma was a very special lady that I am very honored to have known! I can remember all the times when we were younger that we begged her to take us to the pool, or somewhere! She was always such a remarkable lady that would do anything to makes you happy! I can remember the times on the ranch where Marjorie and Gene would take us to the "pond" to go swimming! She was so much fun! I am so sorry I didnt make it to the funeral. If there is anything you need at all please don't hesitate to call! We have been through some hard times and we have lost some good people, but remember that they are always lookin down on us and takin care of us! I love you girl! Lacey

“ Marge was a wonderful Mother and Grandmother. I will never forget the tme when John proposed to me, Marge came to my house to tell me that he was going to propose. Marge had the ring with her and I was able to try it on, it was our secret. We had a lot of secrets and I plan on holding them in my heart, because they were our secrets. We Love you Mike, Gene & Kristen. May God's comfort be with you and the family at this time.

“ To Mike and Uncle Gene -- Aunt Margie was a wonderful Aunt to me and I always loved her laughter and upbeat personality. She was so much fun. As a little girl, one day I couldn't go to school because of a cold so my Mother dropped me off on her way to work to spend the day with Aunt Margie. She and I made cookies, she curled my hair and put on makeup, she let me try on her clothes and high heels. It was a day I've never forgotten. I think of her and smile. She was a stranger to no one. You are in my prayers and send my love. Barbara Smith O'Connell
