“ My deepest sympathy to the Porter family. I had the privilege of meeting her along with Jack while on vacation in 1984 with my Mom and my grandparents. I remember how kind they were, And i remember Jack telling jokes. I remember him telling me to touch the window and asking if I could feel the pane. My Grandpa Olin always told stories of when they were all kids, stories that I always eagerly listened to. I consider myself lucky to be a part of that family. My thoughts are with you all.
