“ Mark was a great Christian man, he had a very kind and caring heart, and was a good friend of mine. He was always willing to lend a helping hand and go that extra mile to help me and others. He loved his family and spoke of them frequently. Last year, he took me to his home place in Arkansas City, Kansas. It was such a blessing hearing stories of his childhood, his family, and growing up on the farm. I will always cherish these wonderful memories. I have been trying to call him and text him for several months, only to find his obituary a few days ago. My sincere condolences to his children, grandchildren, and other family members. Mark, I know you are rejoicing with the angels in Heaven! Until we meet again! Vergie Jones

“ I'm a "Rahn" cousin, Mark's parents, Neil and Joyce, were my precious aunt and uncle. I have many wonderful memories of my cousins Mark and Dave , who only lived and grew up a few miles from us. To Marks children, remembering your father and his brother David, the cutest , fun cousins my sister and I could have, and his parents, Neil and Joyce,, wonderful people! I'm very sorry for your loss. Connie Marrs Steele

“ Mark graduated with our class in 1971 from Arkansas City, Kansas High School as a proud Bulldog. We got to know each other from 7th grade years and throughout high school where we had several classes together. Mark was always the quiet one, where I was more on the ornery side. Get the combo of us together and you could draw some laughs. In fact, in our year book there is a group picture (with Mark in it) where I'm in a trash can and fellow senior classmates are surrounding me. Throughout the years, Mark and I would periodically call one another just to keep in touch so Mark would know what was happening with classmates. Every 5 years our class religiously celebrates our class reunion (which I was in charge of for over 25 years and still serve on our committee). We could always count on Mark's generosity to bring around 100 pastries to our luncheon event. I know from speaking on our classes' behalf, our classmates always appreciated Mark's kind gesture with his donation of pastry goodies. So I always made it a point to acknowledge his contribution at our luncheon. To further demonstrate his commitment of love and kindness while never forgetting his roots where he was raised, I contacted Mark a little over a year and a half ago, and told him of a Fund Raiser Event I was hosting for a classmate's son who was battling cancer. I asked if he would be willing to bring some pastries to our luncheon event in conjunction with our golf tournament. Upon hearing this, as usual, Mark never hesitated and delivered big time with coming through and driving back home to hand deliver his goodies. I'm saddened to hear of Mark's passing, but know he is in much better hands. Rest In Peace My Friend.

“ My deepest condolences to the Rahn family. I had worked for Mark at McKee foods many years ago. Mark was always great as a supervisor. He was willing to help his employees with whatever they needed to do their jobs. He was a fair in all his ways and seemed to always be light hearted. I always enjoyed talking with Mark, it didn't matter if we were exchanging stories of our kids or old cars, we seemed to always enjoy a good laugh. A great man, who will be greatly missed. May God Bless the Rahn family in your time of grief.

Mark was my supervisor for a few years at McKee foods. Mark was always willing to help any way he could. I would catch up with him in Walmart at time and it was always a great reunion. I will always cherish the time I had with him. Prayers for the family.
