“ Though I did not really know Mrs. Lockhart personally, I can see through her children what a wonderful Mom and woman she was. I know through their own accounts she was a loving, caring, driven woman, and an asset to the Gentry community, with a wonderful sense of humor. She will be missed by many. Brian, Brooke, and Mitch, I pray for comfort and peace for all of you at this time. May God bless each of you and may warm memories and lessons she taught you fill your heart's and minds. Much Love, Peace, and All good vibes.

“ Marlene treated me so well when we worked together at the hospital. She was always supportive and kind. I was having a rough day once and she said something to me that I remember to this day...words of comfort and understanding. Rest in peace Marlene.

“ *I worked with Marlene for several years. She was very good at her job and as director, always had a story to tell and the last few years she worked enjoyed watching dancing with the stars and would talk about it a lot. She really enjoyed it. She was so proud of her kids and I hope the family remembers those good times they had together.*
