“ *I am sad for me, but I can't be unhappy for you. You are where you need to be, wrapped in Grandpa's arms. I hope you didn't give him too much grief for leaving first, I'm sure that he didn't have all that much to say about it. I miss you so much. Things aren't the same without you. Please don't worry about Raven, I'll take good care of her. Until I see you again Granny....I love you.*
