“ *Jim, Stan and families: It was sad hearing about the loss of "Bitsy." Her face was a most familiar sight in Siloam Springs. We've always remembered her friendliness to us when we returned to Siloam Springs in the 60's. Her baking was superb, and we loved her bringing goodies to the Interstate News for the crew when her son Jim worked there with us. Through the years, it was our pleasure to see her out eating with her friends when we visited back in Siloam Springs. Our thoughts are with you.*

“ *My mother, Dorothy Newsom Reeves and Bitsy were best friends. I remember when my mother died and John & Bitsy came over and had a champagne toast in the back yard in celebrating her life and to help to give closure. I went by to see Bitsy a few years ago when I visited Siloam Springs. We had a wonderful visit. "Bitsy" was one of a kind. She will truly be missed. I and my late family have been blessed and honored in knowing them.*

“ *Jim and Stan.*
I did not know of your mother's decease until late yesterday (Sunday) when I read the Sunday paper. Interestingly, on our way to church, I happened to look up at her house and saw a Jeep (I think) sitting there but not the Bitsy Mobile. Now I know why. Your mom in it has been a long time staple of the community landscape. She will be missed; especially her smiles and faithful service. Remember, your feeling of sadness is because someone you loved and will miss is gone. It is one of the gladly paid costs for the privilege of being loved and loving.
Peace.

“ Bitsy was such a special lady and a honored 'fixture' in Siloam Springs. Her name is synonymous with the graces of hosting and welcoming. She served in so many capacities. I will always reflect on our fun talks about tomato plants. She will be missed greatly.

“ We were sad to hear the news that our friend Bisty had passed, but are joyful in knowing she is with her Lord! We were the very last family in Siloam Springs that she visited as the official welcome wagon representative, and then we were fortunate enough to move just across the street from her as well. We were blessed by her friendly, joyful spirit, and the many little things she shared us with over the last 13 years. She was a wonderful woman. We will truly miss our neighbor and friend! Please call on us if we can help at any time in the next several months.

“ *I just heard about my sweet Bitsy. I enjoyed waiting on her at the Venesian Inn for many years. She was more than my customer she was my dear friend. I loved seeing her come in the door, so full of life. I truly loved her. After my mom passed away last year I even enjoyed seeing her more, she reminded me of my mom who I miss dearly. So my thoughts and prayers are with all of you. What an amazing Mom and Grandma you had. Love Holly*

“ *For many years, my mother, Clare Comstock, and Bitsy would have coffee every Monday morning. When my father passed away, she brought dinner to our home on the first night. When John passed away, Mother was with her. My mother and Bitsy loved each other dearly.
During one of my last visits with Bitsy about a year ago, she showed me the pictures of her family and told me where they were and what they were doing. She was so proud of them all. Afterwards, she sat at the piano and played, as Bitsy always did, with joy and flourish from the heart. She and I sang "Shanty Town," just as she and my father used to sing it. I shall always remember her exuberance, her many talents, her generosity of spirit, her compassion for others. I would like to think that she and Mother are drinking a cup of coffee together in heaven today.*
