“ *Caring for Mary, my little cupid, as I called her then she would smile. It was my pleasure to be able to see her smile and care for her while she was in the ICU. I am sad to hear that she has passed but she is heaven looking down on her family and watching her grandchildren and greatgrand children grow up to be beautiful and caring people, just like their grandmother. I will think of her when I see a butterfly flying around in the spring because she is free and out of pain.*

May God comfort all the families hurting hearts.
