“ Max & I were High School sweethearts & remained friends until this day. I will most remember her positive attitude about life, her quick smile that would light up a room and her laugh. My thoughts are with Skip & her entire family. The world is a lesser place without her.

“ Pam & family...I am so sorry for your loss. Max was such a sweet person with a big personality and smile. May your memories and God's love bring you peace, comfort and strength at this difficult time. Death takes the body. God takes the soul. Our mind holds the memories. Our heart keeps the love. Our faith lets us know we will meet again.
