“ *Gary & Crone Family,  
Our thought and prayers are with you and the rest of the family. I was once told that everything that happens in life happens at that precise moment for a very specific reason...someday we will understand the reasons. We pray that God will comfort you and your family during this time of loss. The Lord will not put more on us than we can bear...if we will lean on him for support.*

*We Love you and your wonderful family*

“ Gary -

*Just wanted to say that your mom must have been a wonderful woman to have raised such a thoughtful and caring son. As parents, we leave our legacy through our children. Your mom must have been proud knowing that she left behind a son who would carry forward her family name with honor and respect. I don't know how it feels to loose a mother, but may God comfort you and your family through this difficult time. You all are in our prayers. We love you and your wonderful family. God Bless.*
