“ Dear Mary's family,
It was a real shock when i came in to work and they said Johnda come here we need to tell you something, I always loved Miss Mary, she was just like another granny to me. I will miss her so much, she always loved to play bingo, I went to see her at the hospital the first time she was in and she could still make you smile even though she didn't feel good. I never went a day without telling Miss Mary that i loved her and she would always say honey or Johnda i love you too. May God bless and keep you in your time of need. And if there is anything that i can do for you please let me know Miss Mary will always be in my heart and thoughts.

“ Sharon, so sorry to hear of your loss. Your Mom was a very nice lady, I can remember going to the restaurant with my dad, he really liked her cooking, so we went often. Everyone always has such fond memories of people like Mary. My thoughts and prayers are with you, Pat and your families.
