“ Kim,
I was so sorry to read about your Mom, she was such a soecial lady.
When I sold her rent house over in Angus, we instantly had a connection, thenI enjoyed getting to know her better selling Maple. My Mom has had a severe stroke and I am faced with losing her daily. I've realized that no one on earth loves you like your mama. I'm sure you will miss her dearly.

Sincerely,
Barbara Mooney

“ *Mary was my boss and my friend. We didn't stay in touch but I thought of her often. I was saddened to see she had a tough battle with cancer and know that she would have given the fight all she had. Mary was a good boss and a fair boss and I judged future bosses by the high standards she set. My best wishes to the family.*
