“ I was honored to say a prayer over Mrs. Mary Pardue. She was the mother of my dear friend, Ruby Lee. I honor her for that and the fact that she was one of our 'youngest' citizens of Siloam Springs at 101 years young. Blessings and peace to the family.

“ I know that Mary Jane was a wonderful person and that she will be missed by family and friends.

I remember as a child that my Grandfather would visit Mary Jane at her second hand store in Siloam, while I would explore what I thought were many treasures. Although I was very young, I remember that she was a very kind lady who loved children. May she rest in peace with her heavenly rewards.

“ Aunt Jane was special. I have fond memories of her trip to Lake Tahoe where we had a family reunion in the late 1970's. She took advantage of all our activities, including wading in the Icoal creek...down she went & her flip-flops floated away. She was good natured about getting wet, & someone (Loy Clark I think) caught her shoes. We all had a good time with her & were glad she was able to join us.

May God give each family member comfort.

“Granny Pardue we will miss you deeply; I had the fortunate honor and pleasure of knowing you and getting to visit with you, though not enough. You are a true matriarch of your generation and our society and I for one will never forget you; I wish I could have known you many years ago to hear your stories and your laughter. You Mrs. Pardue deserve nothing but the utmost respect. Rest Well!

I Love You,

Brad Hodges
