“ Floyd and I want to send our sympathy to you and your family at the passing of your Mother, Mary Belle. I was just thinking of her over the weekend. I was looking at some old pictures and I came across one of your mother holding Deanna when she was just a little girl. I am so glad I got to talk to her and you several months ago. I keep in touch with Lois (Uncle Jim's daughter) so I called her and told her. So sorry we can not be there, but remember we are thinking of you and praying that you will find comfort in your sorrow.

“ Don, Jamie and Family:

*I was checking the deaths on line today at work since I work in a church. I about fell over when I saw Aunt Mary's death listed. We are so sorry at your loss and ours also. I always loved Aunt Mary so much and always considered her a wonderful Christian. You sure don't have to worry about where she went. There is no doubt that she is with her Lord. I was thinking about all of the good times we had when they would come visit and always looked forward to seeing all of you. I have always wanted to see everyone again but it is a long way to where you live. It is always so sad when families live so far away from each other but that is the way life is. Just know that all of our prayers and thoughts are with you all and will remember you Wednesday when you lay her to rest. We love all of you and wish you peace and rest getting through this.*
