“ *Ruth was always full of energy and true to Uncle Marion's measure of worth a "hard worker". I so appreciated all the time she devoted to the Blagg genealogy research. It was a gift of love to many in the family.*

“ *Ruthie was one of our very best friends in the whole world. She was our beautician for many of those years. She was an avid gardener and always had a yard full of beautiful trees, bushes and flowers. We always teased her about her need to be working on a project. She and David were constantly working on a patio, fence, arbor, deck cover,... you name it, they did it. When they got the place just like they wanted it, they'd pick up and move to a new location. We teased her that she did that in order to have something to do with her time. Her yard was always well maintained as was her house.*

*We loved her so much. She was our sister in spirit. We will miss her very much.*
