“ *Mary was like a ray of sunshine. She had a twinkle in her eye and a smile. I loved her wit and sense of humor! I am so thankful to have met her and experienced her happy outlook on everything. She was a blessing.*

“ *I wanted to express my sympathy. Mary was a wonderful woman she always had a gleam in her eye no matter what the topic of the day. I enjoyed her company when I worked at Valley Springs. I don't ever make or eat Pizza or mashed potatoes and gravy when I don't think of her. Your family will be in my thoughts during this difficult time.*

*Sincerely,  
Nick*

“ I am so proud to have been called your Mother's friend. We shared many things in common - being from the North for one, a love for chocolate and we both loved to sing - she much better than I. Mary offered many times to talk with my mother, who is the same age, and try and convince her to come to Arkansas. She said she would be her friend there at the home! And her faith was something that I will continue to admire. On several occasions, I would bring her ice cream and we would sit and watch TV and just talk, she was so down to earth and had only the sweetest things to say about her family.

*Thank you for letting me be a part of her life...Mary will be missed very much and I will always hold her memory in my heart. May God be with all of you during this difficult time...Love in Christ. Sue Erb*
