“ *I wanted to say that it was an honor to care for Mary and get to know her family. Her love of people was demonstrated by her generous gift of life to others. She is in heaven now but part of her lives on in the lives she has touched through her life here on earth and in all the hearts of those who loved her. I pray that her family and friends will be encouraged by the fact someday we will be greeted by Mary when it's our turn to go home. I will keep you in my prayers.*

“ Mary was the best friend a person could hope to have. I was honored to be her friend for the last 25 years, and when you were her friend it was through thick and thin. Mary was and is the most beautiful person inside and out. She loved her family and friends with her whole heart. Her presence on this earth will be greatly missed, but her spirit will live on for all the years to come. Mary, I love you so much and I will not say goodbye but rather I will see you when it is my time to go. Your beautiful face is the first thing I want to see at those pearly gates.
Loving you forever my dear friend.

“ Although I go to another church now, during the time I attended First Baptist I knew Mary and Donnis. Mary and I attended several retreats together. There is no doubt in my mind she is with our Lord now. I will pray this time of grief will pass quickly for the family, and may God keep them lifted up during this difficult time.

“ I am not sure where to start; Donnis and Mary took us under their wings from day one when we became neighbors thus grew to be come friends and family.

We shared our good times, our hurts, our families, and our faith in the Lord

They were just always there for us, from Mary sending Donnis over with a fresh baked pan of rolls, to helping each other in the yard or around the house. To most recently taking me in during the ice storm.

Mary is with her Lord now and will always be watching over us

We loved her and she will me missed
