“ Hello I am sending this message in memory of my cousin Mattalou Roth. Mattalou and I were not very close but she and I did connect with the family 3 of 4 times a year in Siloam Springs. I married and moved away from Siloam and did not keep up with the family very often. Mattalou and I saw each other seldom but were glad to see each other when we connected. We were cousins by marriage. I did not know she had passed and wished I had kept in closer contact. Her grandmother and grandfather SPERRY and she and I were connected by marriage.
