“ I have had the pleasure of working with Matthew for almost 6 years. My company is a vendor to Walmart. Matthew was always pleasant and friendly to work with, always had a smile. He was extremely intelligent and a wizard at putting together spreadsheets! I just want to say I am truly shocked and saddened by his passing and wanted to send my condolences to his family.

“ Naomi, I am so very sorry for the loss of Matt. He was a great man and rolemodel! I seriously just seen the two of you a little over a month ago when you were in Famous Daves together at the bar! Talked to you two. Matt made my day when he said he still had a black rose that I had given him years ago when i was his secret halloween at work. Keep your head up and stay strong and keep Matts memory alive! He was always smiling. :-) I am still working at Famous Dave's on Tuesday and Thursday nights if you ever want to get away come see me! Many thoughts for you and your family. With love Casey Burger

“ Prayers are going out to Matthew's family during this time of loss from me and my family. It is our prayer that Matthew is in a better place now and that his family may be able to find peace during this time of mourning. Matthew was a kind and friendly man that once you got to know as full of happiness and had a quick wit. Matthew will be missed until we meet in the home of our heavenly father and are reunited once again.

“ To Matt's wife, family & Parents....I was shocked to pick up the paper and to read where Matt had passed away. I'm so sorry. I hadn't seen Matt in several years. I use to be his supervisor when we both worked at Ozark Electronics at Siloam. I remember his great laugh. When he laughed he laughed all over. He was just an all around good guy and a pleasure to have known. My heart goes out to you and yours. I will always remember how funny he was and that he never gave me a hard time. My folks lived next to his folks for years there in Gravette so I would see them often around their house. Again, please except my deepest sympathy. May GOD be with you and yours in this time of great sorrow.....diane

“ Dear Naomia Kyle and Burgandi,

I cannot find the words that makes any sense of this tragedy. Just know that you guys have been in our prayers. I haven't gotten to see Matt or you guys in awhile, but Matt and you were always my friends and that never changed in my mind and heart. God bless you and know that Matt lived the life that all people want to live. He had family that he loved without question and he was loved back by that family.

“ I met Matthew and Naomi at the Benton County Sunshine School Gala. I just happened to sit next to him. They were at a table with my sister and niece, Jill Kleinebreil. We got to talking and I told him I was a volunteer for Meals on Wheels. He got really interested in that and told me he thought it was a great organization. Just the short time I knew Matthew, I knew he was a special and caring person. My deepest sympathy goes out to Naomi, his parents, children, grandchildren and his friends. May God put His loving arms around you all and comfort you at this time.

“ Matthew was such a great man in so many ways. I enjoyed our daily chats of random humor and business talks. Matthew was so proud of his wife and children, he was an honorable family man. He had strong values and integrity and it showed in everything he touched. I was asstomished how intellegent and creative Matthew was with making our work life flow so easily. His work is long lasting impact to our business that will never be forgotten. Our partners in Shinzen China were deeply sadden as they too lost a friend and a mentor. Matthew had a nick name around here, He was called "Easy Button". I hope you find that the "Easy Button" that was given to him will remind you of the easy going personality, care and his great intellegence will always be remembered. Matthew inspired me and for his legacy, I will always be inspired by who he was. May God give you all peace and comfort during your time of mourning.
