“ Joy, Karen & Denise, you are all in my thoughts and prayers. Aunt Mac was a wonderful person that I admired very much. I learned a long time ago, "don't ask her unless you want to hear the TRUTH". She was a woman of integrity and she loved her family very much (especially those grandkids). She will be missed very much.

“ What can you say about the most amazing woman you have ever met. Grandma took great care of all of us. She was truly the glue that held us all together when times would get rough. She was hilarious, kind, generous, and totally honest. I think the honesty was my favorite. I didn't always like it at the moment, but she was usually right. Grandma, I love you, and will miss you always. --

“ How lucky was I to have such a great grandmother. You took care of me, you loved me and yes you yelled at me. I wouldn't have had it anyother way. I without a doubt had the best grandmother in the world and for that I say Thank You! Love you always J.D.

Thank you for sharing your mom with me. I also want you to know that I took you advice and I called my mom and dad and told them how much I love them and appreciate.
