“ *I remember Mike as a smile about to burst into laughter. He truly cared about the people he served and those he worked with. A memory that stick in my mind is him and Jack Ball bustin' on each other about their middle names. I enjoyed listening to him talk about his children. The world will be a lesser place without Mike in it.*

“ I first met Mike in 2005. I bought my first Dodge truck from him. Over the years I have bought several more vehicles from Mike. I also made a good friend over the years. If I ever had a question or needed anything I knew I could always call Mike and he would take care of me. Over the years I would stop in at the dealership and visit with him. I know Mike is in heaven now. I send my condolences to his family.

“ Mike was a great friend and a man that loved his family dearly. He will be missed by many but he is with the Lord where he longed to be. I'll cherish the times we spent together whether it was discussing the Bible, fishing, having breakfast, or selling me a vehicle. Rest In Peace my brother until we meet again. Praying for peace and comfort during this time for the family.

“ Mike was one of the few salesmen at Superior that I enjoyed working with. He would always come back to the service department first thing in the mornings while we were opening up and tell a joke while drinking his coffee. He was a good man who always put others first. I am thankful I had a chance to work with and get to know him.

“ Worked with Mike for a short time at Superior Ford I. Siloam Springs in 2011 and bought a car from him in 2014. We stayed in touch over the years. The last time I saw him was almost 2 years ago. I got to have breakfast with him and other former coworkers.

I came up in April and was hoping to see him at church but due to covid that did not happen. He was a good friend and a true man of God. Mike loved his wife more than anything and he loved his family so much. He would always tell me how proud he was to have the family he had.

Fly high my friend, it was an honor knowing you and I'll see you again in heaven one day.
