“ Mike and I were classmates and reconnected at a high school reunion. He was just as funny and nice then as he was in school. Mike never missed the opportunity to share his love for his family and for God I am praying for comfort for his family as they mourn his passing 🙏

“ I met Mike when I was 4. We lived next door to each other in our apartment complex. Our families were best friends. His mom used to take care of me while my mom worked. We followed the Cowherds to Oklahoma in 1985. He will be missed.

Mike and I switched places in his truck while blue light were pulling us over in Tahlequah. I took the ticket and he paid it. He said that I saved him from losing his license. Fun times.
