“ *Donna*

In the short time that we got to know Mike, he was like family. We feel that our life is richer for getting to know him. I am not sure about the words to comfort you at a time like this. Learn to lean on God more than ever before. We would like to ask you to learn to live with this, and it will ease the pain of trying to get over it. When the days get hard God will comfort you, and we will be there for you. We love you

“ I am so sorry about the loss of Mike. He was a really sweet guy that didn't have a mean bone in his body. Hadn't seen him in years, but he had reconnected with several of us this summer that he had went to school with on facebook. It was such a nice pleasant suprise to be able to chat with him again. I am deeply saddened by the loss and my symphathies go to his Wife, Mom and Dad.
