“ I’m heartbroken about Mike’s passing. I cannot imagine your sorrow. Mike has been on my mind and in my prayers for some time now. He bought my old motorcycle because he had one almost exactly like it. He said mine had a rear shock absorber he would put on his for his wife’s comfort. Not his exact words but close. I left him my newest old bike even after he said he was too sick to work on it. I wish I had known that time was short because I would have taken his offer to visit and work on it. I did get 4 more chickens from him to go with the first 5. The four were very small but I asked Mike if he knew weather or not they were hens because I got 3 rooster’s already. He said he was good but not that good I’d have to find out. Perty sure one is, puts me around 4. I will miss him. He was my friend.

Mike was one of a kind. He loved Jesus so much! He started a prayer group three years ago, and every morning about 6:10 we would start praying for the drivers and the students and the administration, and any other things that were on our minds. When he was helping on a route or something and couldn't be there, we would go ahead and pray. He was a real warrior for Jesus. I pray for his family that they know they will be with Mike again when Jesus returns. God bless each one of you!
