“ Mike was a high school friend of mine. We used to sing and play guitar together. Just found his listing on Google.

“ It was my pleasure to know Mike and to have worked with him. I had the opportunity to go to his home and have dinner with Mike and his very special lady. Mike always gave 100% when ever he worked on something. Booth in the Mentoring department that he managed and did an outstanding job of it and in the roofing department. He was a big help to all the Techs that worked with me. Always ready to help. Men like Mike don't come along every day. So to have him leave us so early in life is a very big loss to his family and his WalMart family.

“ Mike always greeted me whether by phone or in person with "Hey Partner" "How can I help". He asked "how are you doing" and I could always tell he truly cared. A true Servant Leader and an inspiration to many. Mike you will be greatly missed!

I worked under Mike for several years. And I can honestly say that I have never shared a working relationship with any of my previous supervisors that quite like the one I shared with Mike. He was a very special person with a heart and personality that was "larger than life". From the very first day, Mike honestly made me look forward to going to work every day. I will never forget my experience with him.

“ *I was very blessed to spend some time with my father-in-law Mike a few years ago.*

When I remember Mike, I remember his acceptance, gentleness, love of family and most of all his kindness. He cared for everyone he met, of that I am convinced. He showed the love of Jesus in his demeanor and his kindness. It's that that stands out most to me. He was a kind man, sharing the kindness of Jesus.

It is so unfortunate that all we have now is memories but I know Mike touched many people's hearts and made them know that they were appreciated and loved.

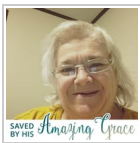

I heard this song the morning Mike departed this earth to be with his Lord and Savior.

Please listen to it and know that through this difficult and painful season in our lives, we are not alone and that we have a Savior who loves us and wants us all to know that He is here for us to lean on , always.

May The LORD Jesus comfort us all with His peace and may He soothe Mike's family, one and all.
